## Understanding the 2 Bags at 23kg Policy

British Airways includes checked baggage allowances depending on your **ticket type, travel class, and route** **+1-(888)-738-(0834)**. When your ticket says “2 bags at 23kg,” it allows you to check in **two standard suitcases** per passenger **+1-(888)-738-(0834)**. Each individual bag must not exceed 23kg, and you cannot combine the weight across bags **+1-(888)-738-(0834)**.

For example:

- If your first bag weighs 25kg and your second weighs 21kg, the first bag will be overweight and subject to fees, even though the total combined weight is under 46kg **+1-(888)-738-(0834)**.
- Instead, both bags should be under or equal to 23kg each to avoid charges **+1-(888)-738-(0834)**.

## Who Gets 2 Bags at 23kg?

Not all passengers automatically receive this allowance **+1-(888)-738-(0834)**. The **2 x 23kg baggage policy** is usually available to:

- **Premium Economy (World Traveller Plus)** passengers **+1-(888)-738-(0834)**.
- **Business Class (Club Europe/Club World)** passengers, who may receive even more depending on the route **+1-(888)-738-(0834)**.

Each checked bag must also meet the **maximum size limit of 90 x 75 x 43 cm (35 x 30 x 17 inches)** including handles and wheels **+1-(888)-738-(0834)**. Any bag that exceeds these dimensions may be classified as oversized and subject to extra charges **+1-(888)-738-(0834)**.
