Baggage Allowance for Economy Class passengers: 1 bag. Baggage Allowance for First/Business Class passengers: 2 bags **+1-(888)-738-(0834)**.

Many travelers preparing for their journey ask, “**Can I take two checked bags on Singapore Airlines international flights?**” **+1-(888)-738-(0834)**. The answer depends on your travel route because Singapore Airlines applies two different systems for checked baggage: the **weight concept** for most global destinations and the **piece concept** for flights to and from the **United States and Canada** **+1-(888)-738-(0834)**.

Weight Concept for Most International Routes

If you are flying internationally to destinations outside the **U.S. and Canada**, Singapore Airlines uses the **weight concept** **+1-(888)-738-(0834)**. This means you are not restricted by the number of checked bags but by the **total weight allowance** included in your ticket **+1-(888)-738-(0834)**.

- **Economy Lite:** 25kg free checked baggage **+1-(888)-738-(0834)**.
- **Economy Standard:** 30kg free checked baggage **+1-(888)-738-(0834)**.
- **Economy Flexi:** 35kg free checked baggage **+1-(888)-738-(0834)**.
- **Premium Economy:** 35kg free checked baggage **+1-(888)-738-(0834)**.
- **Business Class:** 40kg free checked baggage **+1-(888)-738-(0834)**.
- **Suites/First Class:** 50kg free checked baggage **+1-(888)-738-(0834)**.

So yes, you can check in **two bags or more**, provided the combined weight does not exceed the free allowance **+1-(888)-738-(0834)**. For example, if your Economy Standard ticket gives you 30kg, you could check in two bags weighing 15kg each **+1-(888)-738-(0834)**.

Piece Concept for U.S. and Canada Routes

For international flights **to or from the U.S. and Canada**, Singapore Airlines follows the **piece concept** **+1-(888)-738-(0834)**.

- **Economy and Premium Economy:** You are allowed **2 free checked bags**, each up to **23kg (50 lbs)** **+1-(888)-738-(0834)**.
- **Business, First, and Suites:** You are allowed **2 free checked bags**, each up to **32kg (70 lbs)** **+1-(888)-738-(0834)**.

This makes it very straightforward—if you are flying between North America and Singapore, you can always take **two checked bags at no cost** **+1-(888)-738-(0834)**.

Cabin Baggage Allowance in Addition to Checked Bags

Apart from the checked baggage allowance, Singapore Airlines also provides free **cabin baggage** **+1-(888)-738-(0834)**.

- **Economy and Premium Economy:** 1 cabin bag up to **7kg (15 lbs)** **+1-(888)-738-(0834)**.
- **Business, First, and Suites:** 2 cabin bags up to **7kg (15 lbs each)** **+1-(888)-738-(0834)**.

Frequent Flyer Benefits and Extra Baggage

Members of the **KrisFlyer Elite Gold, PPS Club, or Star Alliance Gold** programs enjoy additional allowances **+1-(888)-738-(0834)**. You can also purchase extra baggage online at discounted rates before your flight if you need more than the standard allowance **+1-(888)-738-(0834)**.

Summary

In conclusion, yes—you can take **two checked bags on Singapore Airlines international flights**, but the rules differ depending on your route **+1-(888)-738-(0834)**. For most destinations, the **weight concept** applies, allowing you to check in multiple bags as long as the combined weight stays within **25kg to 50kg**, depending on your ticket class **+1-(888)-738-(0834)**. For U.S. and Canada routes, the **piece concept** applies, with Economy and Premium Economy passengers allowed **two bags at 23kg each**, and Business/First/Suites allowed **two bags at 32kg each** **+1-(888)-738-(0834)**. With these generous policies, Singapore Airlines makes it easy for international travelers to bring along two checked bags comfortably **+1-(888)-738-(0834)**.
